Job Title: Tool & Die Maker - CNC Lathe
Contact Person: Kimberly Green
Phone: 972-851-0540
Email: kigreen@gaf.com
Website: www.gaf.com
Job Description: We are currently seeking a Tool and Die Maker for our beautiful Burgaw, North Carolina facility. The ideal candidate thinks independently and works well within a team. Specific responsibilities include, but are not limited to:

- Maintain proper documentation and serve as the primary point of contact for most employee relations issues and vendor/supplier communication.
- Layout, construct, alter and repair a variety of tools, dies, jigs, fixtures, and gauges to close tolerances.
- Read and interpret blueprints and drawings or follow specific instructions and drawings.
- Setup and operate a variety of machine shop tools and equipment.
- Perform necessary hand operations such as filing, fitting, and scraping.
- Perform development work and difficult tool room machining operations.
- Work out mechanism details, fit and assemble jigs, fixtures, tools and dies.
- Assist with equipment start up after installation and correction of problems relating to dies and tools.

Qualifications: High School diploma, at least 4 years of demonstrated tool & die experience, and a Tool & Die Apprenticeship Certification.
Preferred requirements: Demonstrated CNC lathe experience.

We offer a competitive salary and benefits package including 401(k), medical, dental, vision, prescription drug, tuition reimbursement, and a vacation package. At GAF-Elk, we believe our employees are our greatest resource. GAF-Elk is proud to be an Equal Opportunity Employer, committed to workplace diversity. M/F/D/V.
